## 2024 In-Season Individual Golf Lesson Programs

The lesson programs at Van Schaick Island CC offer a variety of options that suit your learning needs. Many players elect to purchase series of lessons with the intent to make a commitment to their game. Series of 3, 6, and 10 are offered. A series of 3 lessons is good if you want to concentrate on one or two particular areas. Many players like the 6 or 10 option because it allows for many different instructional opportunities, including on-course work. Concentrating on how to play problem holes and problem shots, using course management, and learning to navigate and execute short game shots, are just a few of the benefits associated with playing lessons. Experience gives you more confidence and confidence breeds a better golf game!

You can usually pick up the most amounts of shots around the green and using better course management. Beginners are also best suited to the 3 & 6 lesson package. This will give the beginner an introduction to the fundamentals of the game such as grip, stance, & posture, which are backbone basics of a reliable golf swing.

### MEMBER LESSON RATES      SINGLE      3      6      10
