

Repast Menu

Repast is known as the meal that is served post funeral to the grieving family. It is a time to share a meal, reminisce, and just be together. Let the staff of Max410 at Van Schaick handle the details while you focus on being among family and friends during this difficult time.

Max410 at Van Schaick is in the clubhouse of the Van Schaick Island Country Club. The banquet room can accommodate up to 100 people. There is ample parking in our lot and a ramp for handicap accessibility.
